

TAMJID HASNAT

Carrier Ambitions

I am a student of Computer Science and Engineering. Over the last year, it has aided me in developing great programming and problem-solving skills. My participation in university clubs has also aided in the development of my communication skills. I wish to further improve and use my skills over a year of industrial placement. Especially in the software industry.

Skills

C
C++
Python

Interests

- ♥ Travelling
- ♥ Learning
- ♥ Reading
